

Making a Ukraine Effect in the Skydance App

This is the first page you will see when you enter the skydance app.

Click anywhere on this bar to begin customizing your lights.

Doing this will take you to the “Static colour” page.

Click on the “Mode” icon on the bottom toggle bar.

Now you are on the “Mode” page.

Click “Edit” in the top right corner.

Now you are on the “Edit & Save” page. We will need to go one step further to edit colours.

Click on the 3 dots in the top right corner.

There will be a drop down with 4 options

Choose "Edit Color"

Now you are on the static portion of the “Mode colour” page

Click on "Dynamic"

Now you are on the dynamic portion of the “Mode colour” page. From here you can edit any of these colour combinations.

Select one of the 2 color options

Change the first color to be blue by changing the RGB code to R(0), G(0), B(255).

Change the second color to be yellow by changing the RGB code to R(255), G(200), B(0).

Go back by clicking this arrow

Now find your new Ukraine colors on the “Edit and Save” page.

Click here to change to the desired style

The screenshot shows a mobile application interface for editing lighting sequences. At the top, the time is 9:28 and the status bar shows signal, Wi-Fi, and battery icons. The title bar is green and contains a back arrow, the text "Edit & Save", and a three-dot menu icon. Below the title bar is a table with five columns: "No", "Colour", "Style", "Direction", and "Runtimes". The table lists 13 rows of data, each representing a lighting sequence. A red arrow points to the "Style" column of the second row (No. 16). At the bottom of the screen, there are three buttons: a plus sign (+), a minus sign (-), and a "Save" button.

No	Colour	Style	Direction	Runtimes
15	Blue, Yellow	Checkerboard	→	5
16	Blue, Yellow	Vertical Bars	→	5
17	Red, White, Blue	Checkerboard	←	5
18	Red, White, Blue	Vertical Bars	←	5
19	Pink, Green, Orange, Cyan, Yellow	Checkerboard	←	5
20	Pink, Green, Orange, Cyan, Yellow	Vertical Bars	→	5
21	Red	Checkerboard	→	5
22	Red	Vertical Bars	→	5
23	Red, White	Checkerboard	→	5
24	Red, White	Vertical Bars	→	5
25	Green, White	Checkerboard	→	5
26	Green, White	Vertical Bars	→	5
27	Orange, Red	Vertical Bars	→	5
28	Orange, Red	Vertical Bars	→	5

Choose your desired style and then go back.

Click “save”, and when your phone says “load success” click here to go back.

Now on the modes page you will be able to find your Ukraine themed modes.
